Dear Sir:

KEVIN P. WEIMER, Clerk
By: *Wife* Deputy Clerk

I have read the "Consent To Final Judgement" and "offer of Settlement" from The SEC with respect to: Civil Action 1-24-CV-01771-SDG.

I understand this is a Good Faith Settlement.

I have not hired legal Council, but I request a call with The SEC so that I understand the Settlement terms.

In the interest of costs and time I will not hire Council, but I need a discussion with The SEC.

In transit All Documents were required to be left behind for this and ^{the} other other matters before Judge Grumberg. So I do not have the documents before the latest Fedex.

Please have The SEC Contact me for a brief discussion before I Sign.

Thank You,

Craig Allen
